

VOLVO CONSTRUCTION EQUIPMENT
VOLVO CARE KITS

MORE CARE. BUILT IN.

ALL THE ADVANTAGES IN EACH KIT

Overhaul and repair kits

It's all about having foresight and continuously preventing and maintaining before something happens. With Volvo Care Kits, it's easy: they are the fast, safe and complete solution for overhauls and repairs.

- Engine overhaul kits
- Engine bearing kits
- Cylinder head overhaul kits
- Cylinder liner kits
- Pins and bushings kits
- Gearbox overhaul kits
- Transmission overhaul kits
- Final drive overhaul kits
- Clutch overhaul kits
- Brake overhaul kits
- Track link repair kits

Maintenance kits

By following the machine's service intervals you get a machine that is reliable and ownership with peace of mind. The kits contain exactly what is needed for the relevant service. This means that service is performed correctly and fast.

- Filter kits

With Volvo Care Kits you save time when you need it the most, when your machine is at a standstill for repairs, maintenance or service. Volvo Care Kits are available in three categories. They are the fast and smart solution since every kit contains exactly what is needed, no more and no less. This means that the machine will be back to productive work in the shortest possible time.

Uptime kits

Sometimes, small details can create major irritation. When a small consumable part malfunctions or stops working, that's definitely one of those times. Our Uptime kits are easy to bring along in the machine and they contain useful parts.

- O-ring kits
- Electrical connector kits
- Hydraulic hose replacement kits

VOLVO CARE KITS THE COMPLETE SOLUTION

All kits provide fast, easy and economical solutions. In short, Volvo Care Kits are loaded with advantages for you as a machine owner.

■ Save time

You don't have to spend time collecting the needed parts.

■ Peace of mind

The kit always contains exactly the parts that are needed, no more and no less.

■ Reliable

All kits consist of genuine Volvo parts, the machine is maintained in original condition.

■ Latest news

All kits always contain parts according to the latest updates.

■ Save money

Buying a kit is cheaper than buying the parts separately.

Fast and safe

It's a fact that correct service and maintenance is the foundation to achieve long service life, maintained performance and minimal downtime. In this way, the machine investment gives maximum profitability.

Volvo Care Kits are based on knowledge and experience, taking advantage of Volvo's engineering know-how and our dealers' in-depth knowledge about Volvo machines.
