MORE CARE. BUILT IN.

GENUINE VOLVO PARTS – TESTED, PROVEN, TRUSTED

Genuine Volvo Parts are specifically engineered for your Volvo machine to provide perfect fit and achieve optimal performance. This results in increased durability, productivity and efficiency, which in turn lead to maximum profitability.

Genuine Volvo Parts are a profitable investment that pay for themselves for a long time.

Genuine Volvo Parts make choosing easy. Simply put, they're always the best choice for your Volvo machine.

Common sense says Genuine Volvo Parts:

- Parts adapted specifically for your machine.
- Unchanged performance and high machine availability.
- High quality and good total economy.
- Full coverage warranties.
- Safety and environmental care go into every part.
- Fast and dependable deliveries.

VOLVO – A PARTNER TO TRUST

By always selecting Genuine Volvo Parts for service and maintenance you get a machine you can trust. A machine that is safe and productive, even in the most severe conditions.

Parts quality has a big impact on the machine's daily work and, just as important, its long-term profitability. When you let your Volvo remain a Volvo, you maximize productivity and ensure a long service life, both of which contribute significantly to your bottom line.

You will continue to have a machine you can count on.

Don't compromise

Sometimes it's necessary to compromise. Sometimes it's just plain wrong. Choosing Volvo Construction Equipment means no compromising.

Volvo stands for quality, safety, productivity, comfort, low operating costs and environmental care.

For the future, there is only one natural choice – Genuine Volvo Parts. They fit perfectly and are designed to last, just like the rest of the machine.

With Genuine Volvo Parts, you don't compromise on the machine's built-in values.

More care. Built in.
