PROFESSIONAL BIOGRAPHY

California Energy Commission manager of the Alternative and Renewable Fuel and Vehicle Technology Program, John P. Butler II

John P. Butler II is the manager of the Alternative and Renewable Fuel and Vehicle Technology Program (ARFVTP) with the California Energy Commission, California's primary energy policy and planning agency. The program invests up to $100 million per year to support advancements in alternative, renewable fuels and the vehicles powered by them within the State of California. Butler has worked for over 25 years at the California Energy Commission. He has worked for the past five years in the Energy Commission's Fuels and Transportation Division overseeing ARFVTP investments in electric vehicle infrastructure, hydrogen refueling infrastructure, biofuel production and supply, and vehicle technology advancements.
