## Volvo Construction Equipment Electromobility Director, Scott Young

Scott Young is the Electromobility Director at Volvo Construction Equipment (Volvo CE). He is responsible for the company's Electromobility market strategy as well as the portfolio of electromobility products and solutions.

Electromobility Director is a new role at Volvo CE, Scott was appointed to the position in June 2017. Prior to this, he was the Electromobility Program Manager, a position he has held since 2014.

Scott has worked for Volvo CE since 2008. His previous roles include Strategy Director and District Business Manager. He is currently based at Volvo CE's global headquarters in Brussels, Belgium.

When the headquarters relocate to Gothenburg, Sweden, in the third quarter of this year, Scott will assume his role in Eskilstuna, Sweden, where his team is based.

Scott is an American citizen and is married. He holds a degree in civil engineering from the South Dakota School of Mines and Technology, US, and an Executive MBA from the University of Illinois, US. In his spare time, Scott enjoys concerts and playing golf.

Ends.

July 2017
