Jonas Bergstrand appointed Head of Legal at Volvo Construction Equipment

Jonas Bergstrand has been appointed Head of Legal at Volvo Construction Equipment (Volvo CE) and will become a new member of the Executive Management Team (EMT).

Jonas was most recently Executive Vice President (EVP) and Head of Legal, M&A and Procurement at steelmaker SSAB. He brings an impressive track record of senior roles at SSAB. Earlier in his career he has also worked for ABB and Ericsson.

He replaces Nina Aresund, who as earlier communicated took up the role of EVP Legal and Compliance at Volvo Group at the end of 2022.

Jonas comments: "I welcome this opportunity to work closer with end customers using our products and to join Volvo CE at this critical time of transformation both in the company and the industry."

Jonas will take up his new role no later than 1 August 2023 and be based in Eskilstuna, Sweden.

"Jonas is a proven business leader who will bring a lot to the Executive Management Team and make an important contribution to Volvo CE's growth journey," comments Melker Jernberg, Head of Volvo CE.

Volvo Construction Equipment (Volvo CE) is a global leader in construction solutions, delivering premium products and services that combine power and performance with a more sustainable way of working. We are a company driven by people and together we have a purpose: To build the world we want to live in. Founded in 1832 and with a distribution network across every major market, our many dedicated experts around the world are fulfilling our shared purpose through a focus on sustainability, electromobility and services. As well as our expanding range of electric machines and charging solutions, Volvo CE provides industry-leading haulers, loaders, excavators and much more, all built to suit the demands of our customers' varied construction and infrastructure needs. Volvo CE benefits from being connected to the Volvo Group, which also offers trucks, buses, power solutions for marine and industrial applications, financing and services that increase our customers' uptime and productivity. Through its holistic perspective, Volvo Group is committed to shaping the future landscape of sustainable transport and infrastructure solutions.
