Environmental progress is a key element in our mission to drive prosperity through transport solutions

THE FOLLOWING PRINCIPLES PROVIDE DIRECTION FOR THE WORK:

• Continually reduce life-cycle environmental impacts as an enabler for increased sustainability and customer success

• Demonstrate responsible care for the environment wherever we operate and build trust by adhering to our Code of Conduct

• Minimize resource use, emissions and waste and utilizing means within our sphere of influence to create change towards a circular economy and to further improve our competitiveness

Martin Lundstedt
President and CEO of the Volvo Group
