THE TEREX TRUCKS FACTORY-APPROVED FILTER KITS

The exceptional level of precision engineering and design innovation within a Factory-Approved Terex Trucks filter guarantees to protect and support the efficiency and performance of your Terex Trucks equipment. The sustained maximum efficiency and performance translates into enhanced productivity.

Why Choose a Terex Trucks Filter?

The advanced design of Factory-Approved Terex Trucks filters delivers optimum contaminant removal, in turn providing high efficiency filtration for enhanced productivity and greater engine protection. The benefits of this are:

- ▶ Maximum Reliability.
- ▶ Longer Working Life.
- ▶ Lower Operating Costs.
- ▶ Improved Performance.
- ▶ Improved Fuel Efficiency.
- ▶ Enhanced Engine Defence (reduced wear on some engine components).
- ▶ Less Machine Down Time.

Why Choose a Terex Trucks Filter Kit?

Each Terex Trucks filter kit is meticulously designed to provide all of the recommended filters for each service interval . . . *within one part number.*

The Advantages:

- ▶ Maximum Convenience – One part number for one service interval.
- ▶ Factory-Approved Filter Kits – Proven to deliver optimum efficiency, performance, productivity and extended machine life.
- ▶ Cost Effective – The correct parts in the correct quantities by Terex Trucks model number and service interval. Save both time and money.
- ▶ Efficiency – Provides all the parts required for the complete machine service, promoting minimum machine down time.

It is easy to see the benefits of using only Terex Trucks Factory-Approved filters.

ONE SERVICE INTERVAL... ONE PART NUMBER

WARRANTY ON PARTS

Terex Equipment Limited warrants that for a period of 24 months or 6,000 hours, whichever comes first, after the sale of new Terex Trucks replacement parts by an authorised Terex Trucks dealer it will repair, or at its option, replace any defective or malfunctioning part that was fitted by an authorised Terex Trucks dealer. This warranty covers only malfunctions resulting from defects in material or workmanship.

This warranty does not cover malfunctions resulting from negligence, alteration, accident or overloading; use for a purpose for which the part is not designed or approved by Terex Trucks; loss of time, inconvenience, loss of use of the vehicle or other consequential damages; or labour for removal or reinstallation of defective or malfunctioning parts.

Repairs or replacements qualifying under this warranty will be performed by an authorised Terex Trucks dealer within a reasonable time following delivery of the malfunctioning part to the dealer's place of business.

Defective or malfunctioning parts must be delivered to an authorised Terex Trucks dealer's place of business during regular business hours for warranty repairs or replacements. The dealer must be furnished with the purchaser's copy of the sales slip or repair order to validate the date of purchase.

SOLE WARRANTY

This is the only express warranty applicable to new Terex Trucks parts sold by Terex Trucks dealers and Terex Trucks neither assumes or authorises anyone to assume for it any other obligation or liability in connection with such parts.

Genuine Terex Trucks Factory-Approved Filter Kits

Delivering the convenience, performance, reliability and exceptional value you would expect from one of the world's leading names in construction machinery.
