Genuine Volvo Parts for Genuine Protection

VOLVO PARTS PROMOTION GREAT DEALS 2022

Volvo Construction Equipment. Building Tomorrow

Why Genuine Volvo Parts?

EVERY PART IS VITAL

The better the quality of your components, the more you get from your Volvo machine. Only Genuine Volvo Parts give you the quality and availability your machine depends on.

Genuine quality - in everything we do

You chose Volvo for a reason. The machine's high quality probably has a lot to do with it.

For us, quality is not just a word, it's a promise - a commitment to go beyond the expected and leave nothing to chance. This approach is at the core of everything we do. From parts design and manufacture to the services and dedicated support of our global dealer network.

Our goal is clear: to do everything we can to ensure trouble-free operation and make your machine as productive and profitable as it can be.

Your Uptime Partner

When it comes to supporting your machine and your operation, our goal is clear: to be your uptime partner. Simply saying this is not enough – we must prove it every day.

Genuine Volvo Parts are a perfect example. Each part is specifically tested, approved and designed to work in unison and provide perfect fit and function for optimal performance and efficiency. Add to this our wide range of leading services and the care of expert Volvo Service Technicians, and you are in a stronger position to reduce risks and maximize uptime during the entire life of your machine.

**12 MONTHS/
2000 HOURS**

All Genuine Volvo Parts comes with **12 MONTHS/2000 HOURS** of Warranty*

Volvo Genuine Filters clean fluids and air from dirt and impurities. They are specifically designed to increase productivity, profitability and safety of your Volvo construction equipment. It possesses high dirt holding capacity combined with good flow capabilities and proven to ensure efficient filtration and extended machine life.

Volvo Genuine Filters advantage:

- High cleaning efficiency that is matched to the engine, transmission and hydraulic system.
- High dirt capacity which gives long change intervals, without impaired function.
- Filter elements of the highest quality.
- Stable corrosion-protected casing.

VOLVO ENGINE AIR FILTER

Genuine Volvo Engine Air Filters have specialized filtration media designed by Volvo engineers for Volvo machines.

VOLVO HYDRAULIC CYLINDER PARTS

The high demanding nature of work causes Excavator hydraulic cylinders to fail or degenerate from their peak performance over a period of time. Cost effective solutions are needed to aid customers on regular maintenance, repair and replacement of these critical Hydraulic Components when failures do arise.

Volvo CE currently offers various solutions to the customers

- **Re Seal** : Cylinder Seals kits are available for re-sealing to address leaks or for regular maintenance of Hydraulic Cylinders.
- **Repair** : Cylinder Parts like Rods, Pistons and Tubes are available when Hydraulic Cylinders have to be repaired.
- **Replace** : New and Reman Complete Cylinder Assy can be purchased when the Hydraulic Cylinders are damaged beyond repair.

VOLVO EXCAVATOR CYLINDER SEAL KITS

Key features

- Everything you need for the job.
- No missing parts.
- All parts used in Seal Kits are Genuine Volvo Parts.
- Saves time and money – much easier and less expensive than ordering the individual parts.
