

Financial Controller at Volvo Entreprenørmaskiner in Taulov

Are you analytically strong and do you have an eye for detail?

Do you enjoy being responsible for reporting, and would you like to work in an international group?

As a Financial Controller, your work life will be full of opportunities – both personally, professionally, and career-wise. Possibly aiming for a future role as Chief Accountant.

You will be part of a professional network across the Volvo-owned dealerships in Europe with ongoing contact with the group headquarters in Sweden.

Your tasks will include:

- Responsible for monthly, quarterly, and annual closings
- Preparation and quality assurance of management reporting
- Optimization of internal processes and participation in developing our ERP system
- Cooperation with auditors and other external partners
- On demand analysis and support to our Management Team
- Support the Accounting Team with professional expertise.

About you

You have a relevant economic background (e.g., HD(R) or Cand.merc.aud.) and at least four years of experience in a similar role – preferably from the auditing industry or a larger company.

You are fluent in Danish, both written and spoken, and can easily communicate in English.

Also, you can recognize yourself in the following:

- Experience with ERP systems and strong Excel skills
- Strong analytical skills and attention to detail
- Proactive approach to the job and work independently
- Good collaboration skills and a desire to contribute to a strong team.

You will have a central role in the company and in addition to good colleagues who are happy to help each other, you will also become part of a well-functioning staff association.

If this sounds like your next job, send a few sentences about why you are applying and your resume or CV by mail to **hr-vcedk@volvo.com** with the subject "Financial Controller".

Applications are reviewed on an ongoing basis.

If you have any questions about the job, feel free to contact Head of Finance Vivi Højsager by phone 26 11 89 49. You can read more about us at www.volvoce.dk/job.

Volvo Entreprenørmaskiner is a subsidiary of AB Volvo, responsible for sales and service of Volvo construction equipment and Volvo Penta industrial engines in the Danish, Faroese and Greenlandic markets.

We are a leader in construction equipment and with over 16,400 employees worldwide, we are one of the largest in the industry. Our products and services are offered in more than 180 countries.
